## Cleopatra Maze Puzzle

The BigElephant puzzle comes from ancient Egypt from the time of the legendary Pharaoh Cleopatra.

During her reign, a devastating earthquake struck the empire, after which hostile hordes of Romans invaded the ruins of the royal seat. Among the ruins of the palace remained trapped BigElephant, who represented the last hope of escape for the queen. In desperation, Cleopatra sent her counselors to rescue BigElephant from the ruins, but none succeeded.

Until a young slave, who used his wits to move the rubble, rescued BigElephant from the ruins of the palace. Thanks to this heroic act, the Pharaohess escaped on the back of BigElephant and later regained control of her kingdom.
